\*PGV may not have more than 50% of the PGV from any one sponsorship tree leg. The 50% is determined based on the qualifying rank. For example, for the rank of Diamond, the weekly PGV requirement is 15,000. 50% of 15,000 is 7,500, so the maximum that each sponsorship leg can add towards the volume qualification is 7,500. This is the same for any rank with a PGV requirement. Diamond+ lesser leg volume requirements for rank qualification are based on weekly commission period volume and do not take into account total volume, including carryover.
